Dear Contractors:

Enclosed please find the flyer with information for the **ANNUAL FIRELINE REFRESHER** training (Standards for Survival). Contractors are required to attend this course **each year**, as is required of our employees. This training is also required for anyone in addition to yourself who may be operating your contracted equipment.

Eastern Idaho Technical College (EITC) will be offering three sessions this year. There will one session on **Saturday, April 26th** from 8:00 am until 12:00 pm, and two sessions will be held on **Saturday, May 10th**, one from 8:00 am until 12:00 pm, and again from 1:00 pm to 5:00 pm. The cost of this course will be \$45 per person. Please register by contacting Mariha Berrett of EITC directly at 208-524-3000, ext. 3488.

It is very important that you remember it is **REQUIRED to have a copy of your certificate from the class with you when you report to an assignment.**
