

**WILDLAND FIRE ORIGIN AND CAUSE
DETERMINATION**

**FI-210
40 Hours**

COURSE DESCRIPTION

The primary purpose of this course is to provide a consistent knowledge and skill base for the wildland fire investigator (INVF). The course is presented by lectures, electronic presentations, field exercises, and class discussion.

OBJECTIVES

- Identify the elements of the NWCG Fire Investigation Certification program.
- Perform the common roles and responsibilities of an INVF involved in an initial investigation environment.
- Practice wildland fire investigation methods, evidence collection and documentation processes in a realistic environment.
- Identify the laws, regulations and related court procedures associated with administrative, civil and criminal litigation processes.

TARGET GROUP

Recommended training for experienced fire personnel and law enforcement officers with wildland fire investigation responsibilities.

TRAINEE PREREQUISITES

Recommend students have law enforcement or firefighter experience.
Satisfactory completion of pre-course work.
